# Our Company

New Babar Cargo Movers® is a well-established company, founded in 1973, and has grown into one of the leading names in Pakistan's logistics industry. Our success is thanks to collaboration with experienced professionals from top logistics companies in Karachi. We offer comprehensive logistics and transportation solutions, including handling goods, cargo, lowbeds, cranes, warehouses, and various freight services.

At New Babar Cargo Movers®, we prioritize teamwork and expanding our agent network to better serve global business needs. Partnering with us ensures significant cost and time savings, with a focus on quality, fleet modernization, and expert drivers navigating challenging terrains.

Recognizing the crucial role of supply chain management in enterprise success, we're dedicated to efficient deployment. Alongside core services, we offer clearance, trans-shipment, re-forwarding, domestic distribution, insurance, and project cargo handling. Our strategic approach helps clients reduce expedited transportation costs without compromising service quality.

# Meet Our CEO

**Malik Babar  
khalid  
CEO**

Meet the CEO of New Babar Cargo Mover, MR Malik Babar Khalid, who aims to lift the company to new heights meeting customer expectations

**I'm lucky to have a hard working TEAM behind a successful COMPANY.**

"As CEO of New Babar Cargo Movers®, I'm committed to leading our team towards eco-friendly practices. We strive to minimize our carbon footprint by adopting sustainable logistics solutions, ensuring a greener future for generations to come while delivering exceptional service to our valued clients."

# Vision & Mission

## VISION

Our vision is to be the top-priority choice in Pakistan's logistics industry, providing seamless global solutions with efficiency, reliability, and customer satisfaction.

## MISSION

Our mission is to offer comprehensive logistics and transportation solutions, with teamwork, innovation, and customer satisfaction. Via strategic partnerships, modernization, & expertise, we aim to streamline supply chains, reduce costs, and exceed client expectations.
